MEMORANDUM

TO: The La Salle University Community

FROM: Nancy Brewer *NABrewer*

DATE: April 14, 1998

re: Laura McKenna's departure

Earlier in the Spring I wrote to you about Laura McKenna's departure from her position as the Director of Student Health Services. With the semester drawing to a close, we need to acknowledge Laura's hard work and commitment to the total campus community. She has worked tirelessly as an advocate for healthy lifestyles and has consistently personalized her care of sick or injured students and staff. In Laura's honor, a reception will be held on Wednesday, April 29, 1998 from 3:30 p.m. to 5:30 p.m. in the Music Room.

Please join us on April 29th in sharing our appreciation of Laura McKenna and her work!

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. **Curriculum Design Committee
Minutes
April 3, 1998**

Present: T. McPhillips, L. Miller, M. Moreau (chair), F. Ryan, S. Smith, M. Watson, J. Welsh, S. Wiley

Excused: M. Burke, E. Giardino, C. Pinto

The meeting was called to order at 1:40 p.m.

Minutes of the March 24 meeting were approved as amended. Minutes of the March 30 meeting were approved with minor revisions.

The committee reviewed the International Lasallian Caucus proposed Global Perspective initiative. The proposal includes a set of "Global Studies Learning Goals" intended to facilitate development of a global perspective by each student by the time of graduation.

The committee continued its review of the proposed curriculum models, focusing on a model that proposed linked courses. Discussion focused on the size of the core proposed under the model and various alternatives that would increase the model's flexibility but still meet the core learning goals.

The committee then reviewed another model that sets up a smaller core than the other proposed models. This model attempts to identify the minimum number of courses that could still satisfy the learning goals for the core. There was also a discussion of the possible role of co-curricular and extra-curricular activities in meeting core requirements.

The meeting adjourned at 4:10 p. m.

Respectfully submitted,

Jeannie Welsh

HOMECOMING '98

TO CAMPUS CONSTITUENCIES:

HOMECOMING '98 will be on Saturday, October 17th when La Salle plays Bryant. The Alumni Office will be advertising all planned gatherings in the Summer issue of the LA SALLE magazine.

If your Department or your organization or any La Salle group you are affiliated with intends to gather on campus for HOMECOMING '98, your event can be included in the planned advertising. To do this, we ask that you supply the Alumni Office with the particulars – WHO, WHEN, WHERE – and a CONTACT NAME AND PHONE NUMBER.

The deadline for advertising in the Summer issue will be May 1st. If you have questions or need further details, please call Jackie Carr at Ext. 1537 or Bud Dotsey at Ext. 1535.

Refreshments to follow

Dr. Saferstein was the Chief Forensic Scientist of the New Jersey State Police Laboratory for 21 years. His talk will present a variety of analytical procedures that are applicable to solving forensic science problems. A number of actual case discussions will be included in the talk to show the relevancy of forensic science to criminal investigation. His talk should prove fascinating for students and faculty of all disciplines.

Please plan on attending. We look forward to meeting you there.
